 **NOTICE** 

**General Radio Frequency (RF)
Safety Guidelines**

Until ALL applicable antennas have been deactivated, please observe the following:

-  Obey all posted signs.
-  Assume all antennas are transmitting.
-  Do not touch any antenna.
-  Do not stand in front of any antenna.
-  Do not walk in front of any antenna.
-  Do not walk beyond any signs, barriers, or visual markers towards any antenna.
-  Contact antenna owner or property owner if there are any questions or concerns.
